

Golf Course Driving Range Building

Herrick Archives Building S 114

This is a small, frame building with a gross area of 228 square feet located south of the Club House at the Golf Course. See map below. The address of the building is 3715 Tremont Road.

For identification of other buildings shown, see Appendix A.

The building was constructed by Joseph Patacca, a local contractor, and was completed in March 1987.

This building is carried as Building 142 in Campus Planning records.
